Capacity: 100 attendees (including the bridal party)

Electricity: None

Georgetown Event Center is the perfect spot for your reception!

Before the ceremony, the bridal party can get ready in the Bridal Suite & Groom's Quarters. After your ceremony, your guests will only need to drive a short distance to reach the reception. By having your reception indoors, you can party later, have fun on the dance floor, and relax in a climate controlled environment. Plus, we can connect you with vendors that offer a discount on photography, DJ, videography, and/or lighting at Georgetown Event Center.
